ROBOTICS
COMPETITION**

WELCOME

to the 2019 *FIRST*® Robotics Competition Season

This Voucher Catalog is a reference for your team. Inside, you'll find additional items and value available to your team via the Kit of Parts system. Each page represents a specific voucher and its particular instructions and details. Don't miss out on any of these opportunities.

We are extremely grateful for the generosity and support that our *FIRST*® Suppliers provide! Thank you to all our 2019 suppliers. Be sure your team takes the time to thank them as well.

*Questions about the Kit of Parts
can be sent to:*
frcparts@firstinspires.org

*More information about the
Kit of Parts can be found at our website:*

Free one-year Altium Designer student license

12/31/2019

N/A

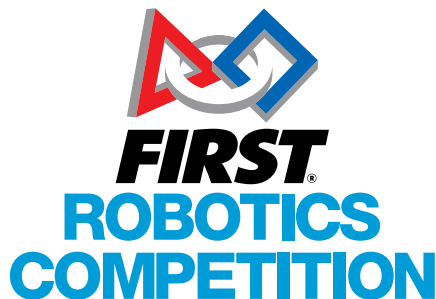

www.altium.com/frc

Altium is excited to partner with *FIRST*®, committed to providing every designer and engineer with tools to enable you to turn your ideas into products in the easiest and most productive way.

- Altium Designer consists of all the tools required to produce a PCB from concept to manufacturing.
- A PCB development platform supplying both the electrical and mechanical view.
- Integrated access to over a hundred suppliers makes it easy to select the best parts for your design.

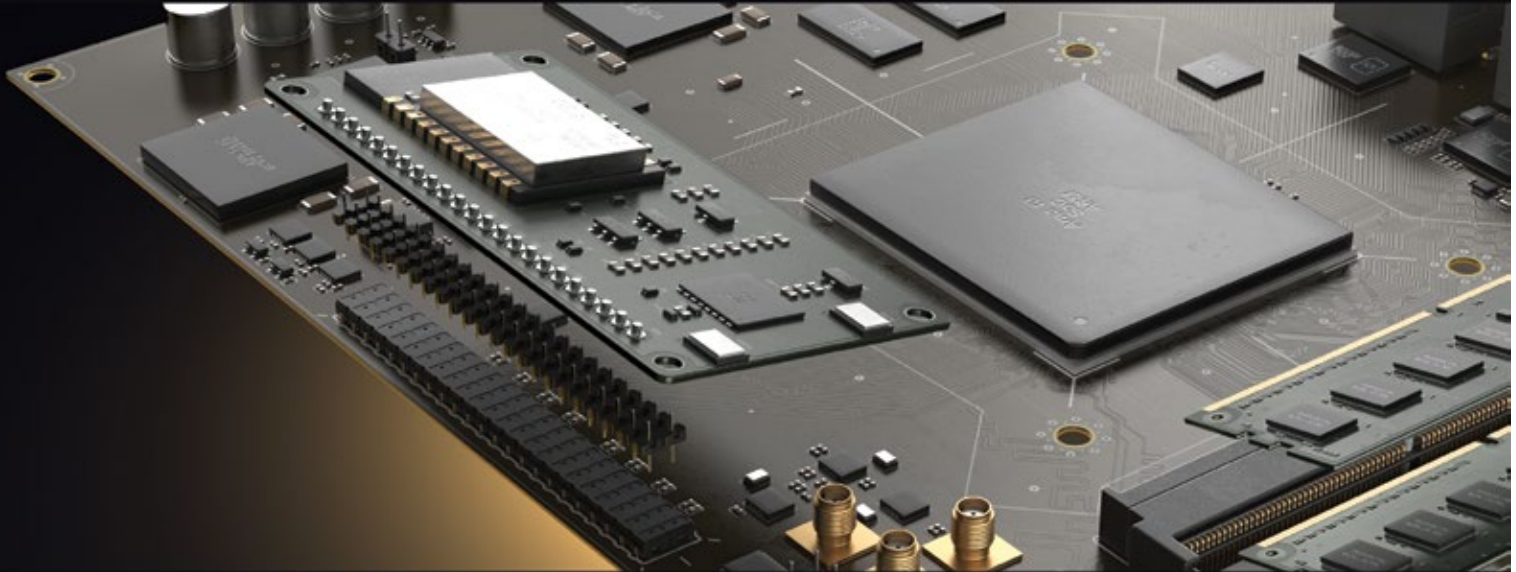

To access one-year free student license, fill out the form www.altium.com/frc

Special Instructions: *One to five student licenses to be shared per high school team*

\$450

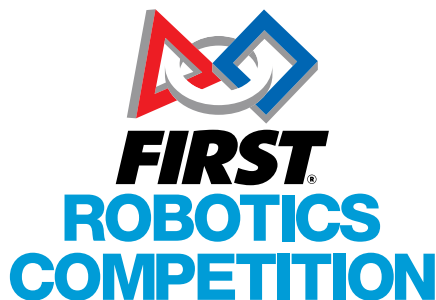

04/15/2019

Team Responsibility

Visit Team Registration Account

(Lead Mentor 1 or 2)

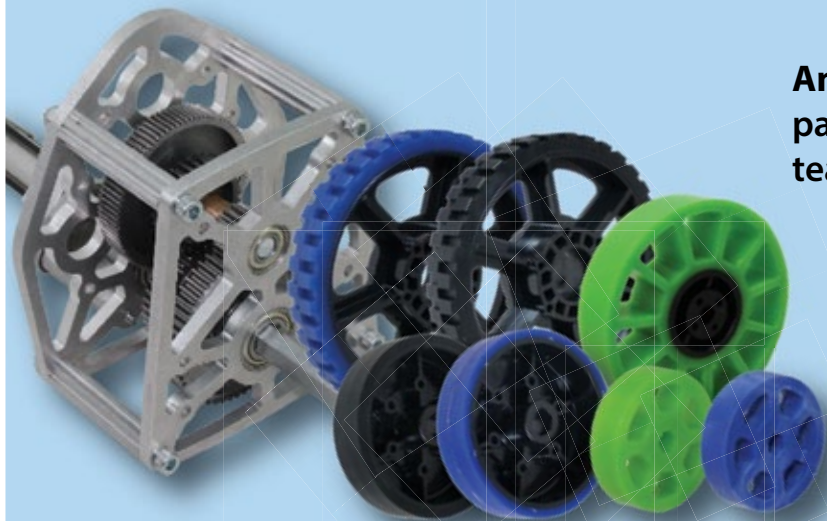

www.andymark.com

- Veteran *FIRST*® Robotics Competition teams who opt out of the Kit of Parts Chassis can use up to \$450 by means of a Product Discount Voucher (PDV) for AndyMark products.
- Products can be redeemed by shopping at www.andymark.com, and using their team's assigned code from step 1.
- Upon checkout at andymark.com, teams enter this code instead of payment.
- Any order value over \$450 will be the responsibility of the customer, and will need to be paid to AndyMark through normal order purchasing methods.

Proud to provide products and vouchers for the *FIRST*® Robotics Competition Kit of Parts.

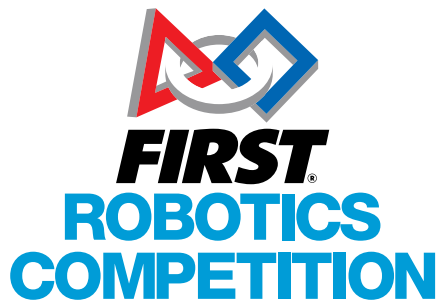

AndyMark develops and manufactures parts and products specifically for *FIRST*® teams.

- Gearboxes & Motors
- Wheels
- Electronics
- Pneumatics
- Hardware and More!

One (1) RS7 encoder

04/27/2019

Team Responsibility

Visit Team Registration Account

(Lead Mentor 1 or 2)

www.armabot.com

1. Go to www.armabot.com
2. Select 1 or more RS7 encoders (first unit free with this voucher)
3. Enter your valid code from the *FIRST*® Team Registration System
4. Enter shipping and billing information
5. Place order and wait for arrival (3-5 days in continental USA)
6. Installation instructions at www.armabot.com
7. Technology tutorial for encoder implementation at www.armabot.com

Valid for purchase of one RS7 encoder individually or a multiple product order that includes one RS7 encoder. Limit one per *FIRST*® Robotics Competition Team. Must be registered for the 2019 robotics season. Voucher not transferable to other people or teams.

QUICK INTEGRATION

Technology Tutorial

CAN bus PID tuning via Talon SRX controller.

EASY INSTALL

Worm-Drive Clamp

Secure and simple attachment.

COOL RUNNING

Vented Design

Doesn't interfere with motor air flow.

STRAIN RELIEF

Secure Wiring

Integrated feature for cable tie.

CUSTOM DESIGNED MOUNT

775pro Motor Encoder

Successful use at 2016 & 2017 Championships.

Voucher Detail

3D Design Software Access

Website

www.autodesk.com/first

www.autodesk.com/first is a dedicated page for everything *FIRST*® Robotics Competition and Autodesk related, including CAD Datasets, Tutorials and access to Autodesk software.

- **Autodesk Fusion 360** – Explore design ideas quickly and easily with the integrated concept-to-production platform with 3D CAD/CAM. Connect your entire product development process in a single cloud-based platform that works on both Mac and PC.
- **Autodesk Inventor** – Professional grade solution for 3D mechanical design, simulation, visualization, and documentation.
- **Autodesk Synthesis** – A simulator designed to help *FIRST*® Robotics Competition Teams design, test and experiment in a virtual game environment with the virtual game field.
- **Autodesk Eagle** – Bring your next spark of an idea to life with powerful PCB design software made for every engineer.
- **Autodesk 3DS Max** – 3D modelling and animation solution used by game developers, visual effects artists, and graphic designers to create massive worlds, stunning scenes, and engaging virtual reality (VR) experiences.

Robotics skills on the rise

Autodesk is excited to provide open access to our design software, *FIRST* data sets, and a kit of parts. We even have competition simulation software – created specifically for *FIRST* teams – to help you test and experiment using 3D modeling and robotics skills.

Check out what is available at
www.autodesk.com/first

Free Autodesk software and/or cloud-based services are subject to acceptance of and compliance with the terms of use or other applicable terms that accompany such software or cloud-based services. Software and cloud-based services subject to an Educational license may be used solely for Educational Purposes and shall not be used for commercial, professional or any other for-profit purposes.

Automation Direct

\$35.00

04/30/2019

Team Responsibility (see below for details)

Visit Team Registration Account

(Lead Mentor 1 or 2)

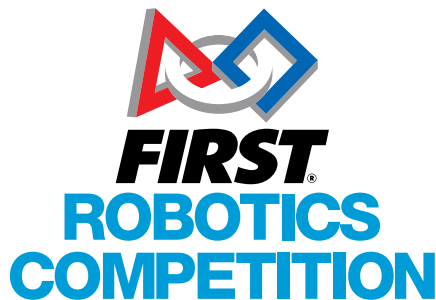

<https://library.AutomationDirect.com/free-first-voucher/>

To use: (follow closely, we cannot apply the discount AFTER you place an order!)

1. Login as Lead Mentor 1 or 2 at www.firstinspires.org to retrieve your team's voucher code.
2. Login to www.AutomationDirect.com with an existing account OR create a new one at www.AutomationDirect.com/new-user.
3. Visit www.AutomationDirect.com/Voucher and enter your team's code. This will enable a one-time \$35 credit for your account (any amount not utilized on the order will be forfeited).
4. Shop!

Some Restrictions Apply:

1. Orders **must** be placed online. No 'call in' orders. Stock items ordered by 6:00pm EST will ship the same day.
2. Orders **must** ship to a US or Canadian address. Credit Cards must be issued by a US or Canadian bank.
3. This voucher cannot be used towards shipping fees or Canadian brokerage fees. A credit card (or PayPal) will be required to pay for shipping for orders under \$49. Larger orders may qualify for free two-day shipping - see Web Site for details: <http://www.AutomationDirect.com/static/specs/adpolicy.pdf>
4. This voucher cannot be used to pay sales tax. A credit card (or PayPal) will be required to pay any applicable taxes. If your team/organization is tax exempt, you can submit appropriate documentation online during checkout.

Mastercam

\$20,000

09/30/2019

Included

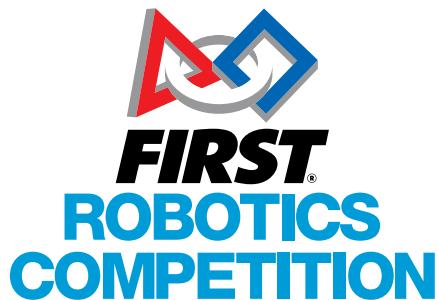

Visit Team Registration Account

(Lead Mentor 1 or 2)

www.mastercam.com/firstrobotics

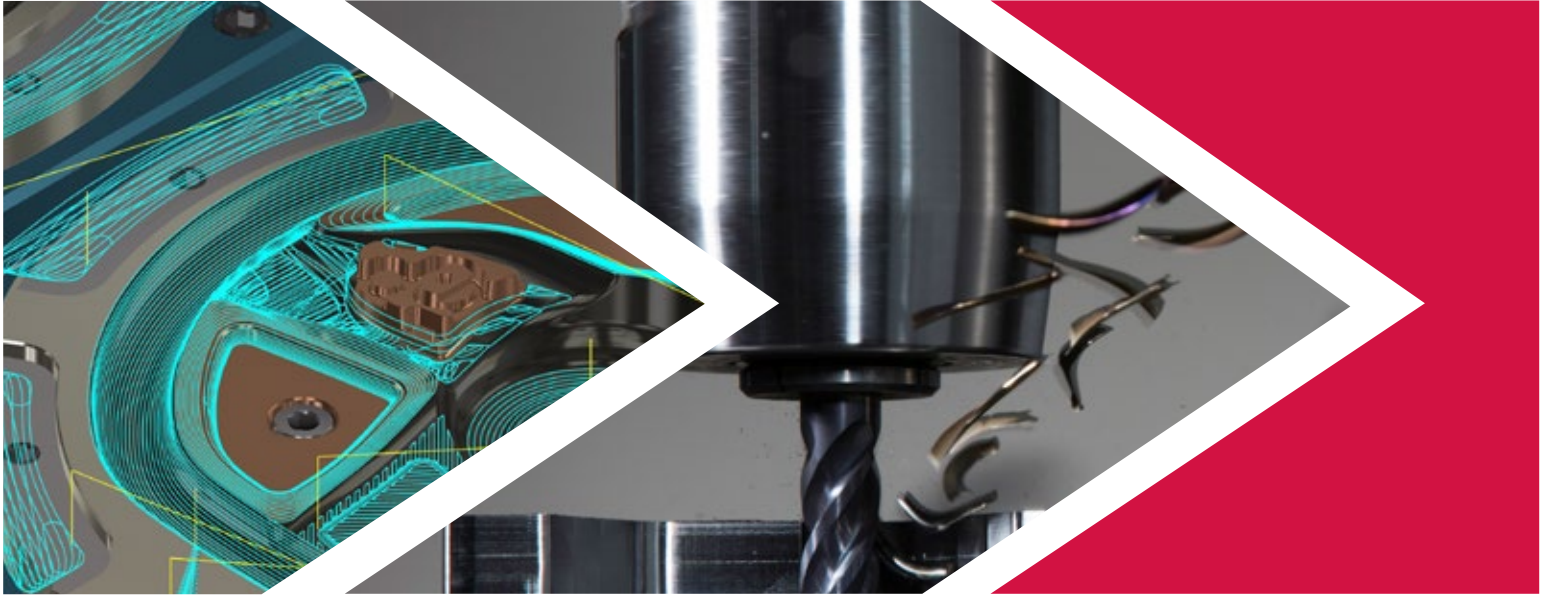

The Mastercam voucher represents one free license of the Mastercam 2019 Educational Suite. The Mastercam 2019 Educational Suite includes your choice of Mastercam or Mastercam for SOLIDWORKS. Mastercam is a CAD/CAM software that can be used to both design products and program the processes to manufacture parts, specifically on CNC machines. Mastercam generates toolpaths that drive machine tools to turn designs into physical parts. The retail value of the Mastercam Educational Suite is approximately \$20,000.

Please go to www.mastercam.com/firstrobotics to register. You will be asked to complete and submit a registration form. Once the form is received and processed you will then receive detailed instructions on how to download and install the software.

<http://www.ni.com/first>

NI is pleased to provide all *FIRST*® Robotics Competition teams with a FREE license for LabVIEW, our systems engineering software platform. This license also provides access to more than a dozen LabVIEW add-ons, NI Multisim for SPICE simulations and NI Ultiboard for PCB design.

1. Access Serial Number

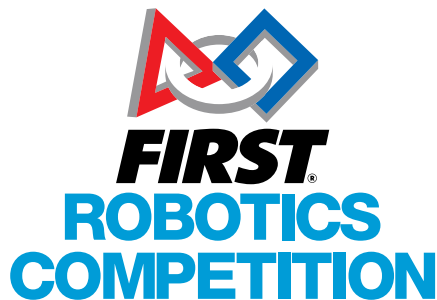

Visit the *FIRST*® Team Registration site at www.firstinspires.org to access your serial number.

2. Download Software

Get NI LabVIEW for *FIRST* Robotics Competition via the *FIRST* Robotics Competition Resource Hub at www.ni.com/frc

3. Learn and Earn

Learn LabVIEW with free online training and earn skills badges at www.ni.com/frc

NI equips engineers and scientists with systems that accelerate productivity, innovation, and discovery.

A Global Leader in Test, Measurement, and Control Solutions

The NI Platform

NI accelerates engineering success by providing you with an open, software-centric platform that takes advantage of modular hardware and an expansive ecosystem.

The NI Ecosystem

The NI ecosystem helps you build innovative systems more efficiently by providing services and support, software add-ons, and solution partners around the globe.

NI Products

NI offers a combination of productive software, high-quality drivers, and modular hardware that helps you build user-defined solutions.

NI is a proud supporter and strategic partner of  **FIRST**

Solid Edge Certification Exam (\$25 value)

12/31/19

Robotics19

<https://solidedge.siemens.com/en/resources/solid-edge-certification/>

Students can take our industry-recognized Solid Edge Certification online exam at no cost:

1. Follow the link we've provided or perform a web search for 'Solid Edge Certification'.
2. Once on the Siemens Certification website, choose which version of Solid Edge you are most familiar with.
3. Register using a valid e-mail address.
4. Select the 'Associate Level 1 (appropriate for high school students)', exam.
5. Enter 'Robotics19' (case sensitive), as the Discount Code.

Students have 3 hours to complete the exam. Good Luck!

**Thinking about using 3D CAD to design this season's robot?
Want one that's powerful, easy-to-learn, and fun to use?**

Download Siemens' **FREE Solid Edge Student Edition** and quickly learn how to design in Solid Edge by taking our online, self-paced courses developed exclusively for *FIRST*.

Then, using discount code '**Robotics19**' when prompted, waive the \$25 exam fee and try your hand at taking our industry-recognized certification!
