

Team Update 04

GENERAL

- **WPILib update:** A C++/Java WPILib update (2020.2.2) has been released which fixes bugs discovered in the first two weeks of the season. [The download, and a complete changelog, is available on Github.](#)
- **Chairman's Award update:** The text for the Chairman's Documentation Form has been updated on the Chairman's Section of the awards [here](#):
 - Please note that teams **must are encouraged** to provide documentation during the interview to the Judges using the [Chairman's Documentation Form](#) (editable word doc [here](#)). Note this is not a required form (i.e. you can still be eligible without this form) but providing it shows the Judges that your activities are well planned and documented.
