

Team Update 10

GENERAL

Remote Judging Plans

The [list of events that have opted for remote interviews](#) has been updated to include the [Central Illinois Regional](#).

SECTION 8.1 GENERAL

The answer to [Q89](#) has been updated to reflect the edit to H101.

H101 *Be a good person. All teams must be civil toward **everyone and respectful of team and event equipment** ~~their team members, other team members, competition personnel, FIELD STAFF, and event attendees~~ while at a FIRST Robotics Competition event.

Violation: Behavior will be discussed with team or individual. Violations of this rule are likely to escalate to YELLOW or RED CARDS rapidly (i.e. the threshold for egregious violations is relatively low.)

Examples of inappropriate behavior include, but are not limited to:

- use of offensive language or other uncivil conduct, ~~and~~
- more than MOMENTARY blockage of an opponent HUMAN PLAYER from the TERMINAL or their CARGO, ~~and~~
- use of CARGO as a projectile in an attempt to inhibit an opponent ROBOT.

SECTION 9.7 CONTROL, COMMAND & SIGNALS SYSTEM

R710 *Only specified modifications to control system devices permitted. The Driver Station Software, roboRIO, PDP/PDH, PCM(s)/PH(s), VRM(s)/RPM(s), RSL, 120A breaker, motor controllers, **MXP devices used to control actuators per R713-C**, relay modules (per R503-B), wireless bridge, and batteries shall not be tampered with, modified, or adjusted in any way (tampering includes drilling, cutting, machining, rewiring, disassembling, painting, etc.), with the following exceptions:

SECTION 10 INSPECTION & ELIGIBILITY RULES

At each event, the Lead ROBOT INSPECTOR (LRI) has final authority on the legality of any COMPONENT, MECHANISM, or ROBOT. INSPECTORS may re-inspect ROBOTS at any time to ensure compliance with the rules. Teams are encouraged to consult with INSPECTORS or the LRI if they have any questions regarding the legality of a ROBOT or about how to make a ROBOT legal.

The inspection process may progress in blocks, i.e. it may pause for a team's Practice MATCH, slot on the practice field, lunch break, etc. The process may employ various INSPECTORS throughout the process based on availability. At the team's discretion, they may request a different INSPECTOR or invite the Lead ROBOT INSPECTOR to participate in their ROBOT'S inspection.
